PROFILE OF CANDIDATES FOR THE 30TH ANNUAL GENERAL MEETING

No.	Name	Highest Qualification	Position	Organisation	Member of IIAM since	IIA History
6.	TERENCE TAN KIAN MENG	CIA, CMIIA, FCPA, CHARTERED BANKER (CB)	GROUP CHIEF INTERNAL AUDITOR	KENANGA INVESTMENT BANK BERHAD	2002 (23 years)	<ul style="list-style-type: none"> Certification and Academic Relations Committee Member (2024/2025)

Terence Tan is a highly experienced CIA who partners with Board of Directors (BOD), CEOs and senior management of large corporations in providing independent assurance and business advisory on the adequacy and effectiveness of the internal control, risk and governance systems which the corporations put in place so they can be assured that the corporations are adequately protected from the business risks. Having worked for more than two decades as an internal auditor for large listed corporations and financial institutions, Terence knows what differentiate a good and effective internal control systems from the ones that exposes the corporations to the risks that Board of Directors or CEOs that they would like to avoid/minimise in their quest to deliver the corporation's mission and vision as well as maximizing shareholders' value.

Terence started his career as an external auditor having secured his first job with Arthur Andersen & Co. After working a few years and gaining strong appreciation of financial audit, Terence moved on to the commercial sector as an internal auditor and worked in large corporations (local and multi-nationals) operating in diverse industries including Citibank Berhad, Astro, DiGi Telecommunications, MCIS Zurich Insurance and currently, Kenanga Investment Bank Berhad.

For almost three decades that Terence had worked as an internal auditor, Terence has built up his credentials and sharpened his internal audit skills and competencies covering operational and IT internal audit, IT project management and compliance. Terence has worked in a few corporations whereby he was instrumental in revamping and rebuilding the internal audit function from ground zero, remodelling the way of work/audit methodology from a pure compliance centric to a business assurance and advisory function that partners with the BODs and CEOs to support the corporations' business objectives and developing strong confidence with various stakeholders including regulators on the effectiveness of the internal audit functions that he has lead in providing adequate and effective independent assurance.

Terence holds a Bachelor of Commerce (Accounting) (with Merit) from University of New South Wales, Australia. Terence is also a Fellow Certified Practising Accountant with CPA Australia (FCPA), Chartered Accountant (CA) of Malaysian Institute of Accountants (MIA), a Certified Internal Auditor (CIA) with The Institute of Internal Auditors (IIA) as well as a Chartered Banker with the Asian Institute of Chartered Bankers/Chartered Banker Institute.

7.	CHANG MING CHEW	CIA, CMIIA, FCCA, C.A (M), CRMA, CISA, CRISC, CGEIT	MANAGING DIRECTOR	Axcelasia Sdn Bhd	2007 (18 years)	N/A

Ming Chew is a seasoned governance and audit professional with over 20 years of experience spanning internal audit, risk management, corporate governance, cybersecurity, and financial due diligence. He has played a leading role in establishing and expanding outsourced and co-sourced internal audit services for clients across a wide range of industries, including financial services, construction, manufacturing, retail, and technology. As Managing Director of NGL Tricor Governance Sdn Bhd and later at Axcelasia Sdn Bhd, he has guided numerous companies, including those preparing for IPOs on Bursa Malaysia and SGX, in strengthening their internal control frameworks and governance practices.

His contributions extend well beyond client service. He is a passionate advocate for the internal audit profession, having served on various sub-committees under the IIAM between years 2019 – 2023; and Board member of ISACA Malaysia Chapter's 2023/2024 term. His thought leadership is regularly showcased through speaking engagements at seminars, public forums, and training sessions, where he educates and empowers professionals from SMEs to public-listed companies on governance, risk, business continuity, and corporate liability. His ability to bridge technical depth with practical relevance makes him a respected voice in the industry.

With a unique blend of leadership, operational insight, and a strong track record in building and promoting high standards in internal auditing, Ming Chew is exceptionally well-positioned to serve on the IIAM Board of Governors. His appointment would bring valuable industry perspective, strategic foresight, and a continued drive to strengthen the profession's role in supporting organisational resilience and accountability.
