# PERFORMING AN EFFECTIVE QUALITY ASSESSMENT

(DEVELOPED BY GLOBAL IIA)

#### **PROGRAM OVERVIEW**

A hallmark of a quality internal audit function is the ability to keep pace in a dynamic environment. Consistently monitoring the quality of the internal audit function provides audit leaders, the board, and other key stakeholders with the assurance that internal audit is performing at its highest level – providing value throughout an evolving organization. An independent assessment of the value of the internal audit function is delivered through an external quality assessment.

This course will provide you with the appropriate knowledge and skills to plan, perform, and evaluate the results of an external quality assessment case study. You will also learn about the process and templates in The IIA's Quality Assessment (QA) Manual so that you can identify opportunities to improve your internal audit function's quality activities.

#### WHO WILL BENEFIT FROM THIS COURSE?

This course will provide you with the appropriate knowledge and skills to plan, perform, and evaluate the results of an external quality assessment case study. You will also learn about the processes and tools in the IIA Quality Assessment Manual (QA Manual) that can help you identify opportunities to improve your internal audit quality activities. This course is intended for audit leaders who are either implementing a quality program for the first time or audit leaders who are wishing to improve the efficiency of the existing quality program. This course will also benefit external quality assessors enhancing their skillset to perform IIA Standards based quality assessments.

#### **COURSE OBJECTIVES**

- Examine the process flow and templates in the updated Quality Assessment (QA) Manual and explore
  how these can be used to evaluate conformance with the Global Internal Audit Standards to identify
  opportunities for continuous improvement.
- Practice using quality assessment techniques and skills to plan, perform, and evaluate the results of an external quality assessment case study.
  - Discuss how to use the QA Manual templates in a periodic self-assessment.
    - Evaluate the external quality assessment options and determine which will work best for your internal audit function.
