Good governance and anti-corruption key to Malaysia's economic growth

Local | Politics | 9 Sep 2025 • 12:56 PM MYT

The Sun Daily
For the latest news and features from Malaysia and the rest of the world.

KUALA LUMPUR: Malaysia's economic growth efforts cannot succeed through economic strength alone but must combine with good governance and continuous action against leakages and corruption.

Prime Minister Datuk Seri Anwar Ibrahim stated that history shows many countries face difficulties when corruption and abuse of power take root despite having ample funds and
