KL13 – Building an Effective Audit Plan to Address Section 17A, MACC (Amendment) Act 2018 Based on ISO 37001:2016 ABMS 4 & 5 May 2021

BACKGROUND

Section 17A, MACC (Amendment) Act 2018, which takes effect from 1 June 2020, provides that “a commercial organisation commits an offence if any person associated with the commercial organisation commits a corrupt act (i.e. gives, agrees to give, promises or offers to any person any gratification) in order to obtain or retain business or advantage for the commercial organisation”.

S17A (3) provides where an offence has been committed by a commercial organisation, a person who is a Director, Controller, Officer or who is concerned in management of the commercial organisation’s affairs at the time of commission of offence is deemed to have committed that offence. The onus is now shifted to the commercial organisation, its Directors, Partners and Management to demonstrate that they have put in place adequate procedures to prevent persons associated with the commercial organisation from committing corrupt acts of gratification.

The Minister in the Prime Minister’s Department has, in December 2018, issued pertinent Ministerial Guidelines on Adequate Procedures, covering five (5) key principles of T.R.U.S.T, that is to be established as lines of defense for the commercial organisation as well as those charged with governance and management of the organisation.

The penalties, upon conviction under S17A, may entail a fine of not less than (10) times the value of the gratification or RM1 million, whichever is higher; AND/OR a jail sentence not exceeding twenty (20) years. In view of the hefty penalties, it is crucial for Directors, Partners and Management to have systems in place “Adequate Procedures” to prevent the commission of such offences.

PROGRAM OVERVIEW

The program aims to provide participants with a clear understanding and insights into MACC Section 17A, Ministerial Guidelines on Adequate Procedures and ISO 37001:2016 ABMS, which offers a practical framework for both public and commercial organizations to comply with the five (5) principles of T.R.U.S.T.
