ESG REVIEW AND SUSTAINABILITY AUDIT

(DEVELOPED BY GLOBAL IIA)

PROGRAM OVERVIEW

This course equips participants with an understanding of international and national Environmental, Social, and Governance (ESG) principles and evolving standards that are tailored to the Malaysian perspective and local contexts. There are discussions on the application of ESG in the context of local regulatory frameworks and best practices, exploring challenges, and dissecting industry-specific practices. With a focus on sustainability auditing processes, participants delve into ESG risk assessments, data collection, and validation methods, developing audit plans. Cognisant of the important role of internal auditors in conducting Internal Review on Sustainability Statements as mandated by Bursa Malaysia, auditors learn to assess environmental impacts, audit social and governance practices, and adequately engage stakeholders to perform ESG assessments effectively through case deliberations and discussions.

LEARNING OUTCOMES

By the end of this training, participants are expected to be able to:

- Understand regulatory frameworks and guides relating to ESG and sustainability;
- Establish criteria and the scope and coverage for the assurance assignment;
- Apply appropriate internal audit procedures and techniques on the ESG / sustainability disclosures;
- Develop the results of internal review of the Sustainability Statement.
