5.	**ANAS BIN FADZILAN**	CMIIA, CFE	GENERAL MANAGER	PETRONAS GAS BERHAD	2023	N/A

Anas Bin Fadzilan is the General Manager for Group Internal Audit's PE&T, GHSE & GS (Project, Engineering & Technology, Group health, Safety, and Environment, & Group Security) Department. In this capacity, he leads the transformation of audit practices across complex domains, with artificial intelligence playing a central role in improving effectiveness and efficiency of audit activities.

Under his leadership, the function has progressed beyond traditional audit methodologies to adopt AI-enabled analytics and automation as core capabilities. This evolution has strengthened audit quality, enabled earlier identification of emerging risks and delivered more timely, actionable insights to management-supporting stronger governance and decision-making across the organisation.

With an established track record for his ability to integrate technology meaningfully into the assurance landscape, Anas brings together deep audit expertise with a practical understanding of data and emerging technologies. He is a strong proponent of repositioning internal audit as a strategic partner to the business and is currently leading efforts to develop an AI Assurance Agent-an approach that focus to elevate assurance deliverables quality while providing assurance to key stakeholders.

He is a Chartered Member of The Institute of Internal Auditors Malaysia (CMIIA) and a Certified Fraud Examiner (CFE), reflecting both his professional standing and technical depth.
